### **BUSINESS AND HISTORY:**

I started my carrier as an Engine Mechanic in 1975. Later I launched a material supply & Construction Company in India named "Pritam Singh & Sons". Under this company I successfully accomplished many projects like National Highway, Roads & Bridges, Railway line from Beas to Goindwal Sahib. I shifted to Dubai In 1993 & started my own general trading company. After 18 years of hard work, I crafted dreams into destiny as "Apex Group of Companies. Apex International Construction & Land Dewatering LLC is one of them. The Apex Group of Companies specializes in supplying state-of-the-art equipment, machinery and services for the construction industry, especially for the piling and testing of building foundations, as well as the de-watering and anchoring of shallow and deep excavation sites.

In the year 2005, Oberoi Properties & Investment Limited came into existence. In the year 2006, I built a replica (75 % size of original Taj) of The Taj Mahal in Global Village Dubai, by flying in around 370 skilled craftsmen from India. With vision to provide full support to various professional engineering services in the year 1993, I started trading based on stockist & distributorship of products.

"Dubai Grand" hotel was also part of Apex Group, which was opened in 1998 – 2014. Hotel combines excellent accommodation with outstanding value for money. The hotel complex comprises of 147 luxurious rooms, 3 deluxe suites and 1 presidential suite.
